

Title information

Bring Me that Horizon

A Journey to the Soul of Portuguese Football

By Miguel Lourenço Pereira

Key features

- Fascinating journey into Portugal's history, day-to-day life, gastronomy, culture and sporting world
- Quest to understand the nature of Portugal's biggest clubs and football personalities, from the past up to the present day
- Insight into the lives of iconic figures such as José Mourinho and Cristiano Ronaldo
- Exclusive opinions by some of the world's leading sportswriters and journalists, including Simon Kuper, Sid Lowe, Marti Perarnau and many more
- Author's seventh book after writing on the lives of Johan Cruyff and Diego Maradona as well as the history of the Euros, World Cup and European club competitions
- Publicity campaign planned including radio, newspapers, websites, podcasts and magazines

Description

Bring Me that Horizon is a fascinating quest into the heart and soul of Portuguese football. Journeying across its landscape, from old and forgotten bastions of invincibility to new, muscled industrial areas where dreams come true, the book uncovers the multiple identities of Portugal as a nation. Whether visiting historical clubs that were miraculously brought back to life or getting to grips with the complexity of Portugal's 'Game of Thrones' fight for supremacy, the book traces a route north to south, island to island, without forgetting the profound connection with Africa and Brazil. From Eusébio's glorious career to Cândido de Oliveira's adventures as a British intelligence agent, the book reveals a nation that already had fantastic tales to tell before it became the flavour of the month for football hipsters at the turn of the millennium. There's much more to Portugal's football heritage than Ronaldo and Mourinho.
