

Title information

Is Gascoigne Going to Have a Crack?

Spurs in the 90s, Magic, Mayhem and Mediocrity

By Gareth Dace

Key features

- Engaging and detailed season-by-season account of Tottenham Hotspur from 1989/90 through to 1999/2000, charting the key events, matches and players
- Foreword by Julie Welch, esteemed author and journalist who wrote the club's official biography
- First-hand accounts from former manager Gerry Francis, ex-player David Howells and various supporters who witnessed the era
- Recollections from a variety of players and managers
- Provides a narrative of the development of football at a revolutionary point in the sport's development
- Publicity campaign planned including radio, newspapers, websites, podcasts and magazines

Description

Is Gascoigne Going to Have a Crack? tells the story of Spurs in the 1990s, expertly guiding you through this exciting but chaotic time. The 1990s are often seen as an era of misery for Tottenham Hotspur. They were undoubtedly that; at the moment that English football became commercially driven and outwardly focused the club fell in relevance from being one of the unofficial 'Big Five' in the 80s to mid-table also-rans by the start of the 2000s. However, this is not a fair reflection of the fortunes of the club during the decade. The Gascoigne-inspired run to the 1991 FA Cup victory, the Gallic flair of David Ginola and the incredible excitement generated by the signing of Jürgen Klinsmann produced moments of unbridled joy and excitement. From Sheringham to Sugar and Venables to Vega, this book journeys through a fascinating decade with a season-by-season account that incorporates the views of players and supporters who lived through a decade that contained a unique mix of magic, mayhem and mediocrity.
