Description

Bring Me Sunshine is the remarkable story of Luton Town's rise from non-league to the Premier League, told through exclusive interviews with players, coaches and executives who made it happen. It's a story made all the more remarkable by the obstacles they had to overcome along the way, not least on the two occasions when manager Nathan Jones left in search of a bigger stage. Yet Luton's outstanding success in player recruitment, exemplified by history-making midfielder Pelly Ruddock Mpanzu, allowed the side to bounce back from the setbacks that came their way. *Bring Me Sunshine* goes behind the scenes to find out how the Hatters consistently triumphed in the transfer market, and unearths further secrets to their success. This is a book not only for Luton supporters, but for all football followers who love a classic rags-to-riches tale.
