## Description

How much do you really know about the club you love? You can find out by exploring the 1,000 questions set out in 100 categories that make up this West Ham quiz book. It's not often that books on football make reference to Inspector Morse, Dostoyevsky, Shredded Wheat, The Everly Brothers, *Fawlty Towers*, *Catch-22* and *EastEnders*, but this one does! Try these for size: which West Ham United player in the 1980 FA Cup Final had already scored for another club in an earlier FA Cup Final? Which two players with West Ham United connections appeared in 43 games between them for Blackburn Rovers when they won the Premier League in 1994/95? And who is the only man to manage West Ham United in two different centuries? You will struggle to find anything as comprehensive as this eclectic collection. This quirky, challenging book is a must for West Ham fans of all ages, and you might not see anything quite like it again.
