

Title information

Scotland's Lost Clubs

Giving the Names You've Heard
the Story They Own

By Jeff Webb

Key features

- Gripping story of the Scottish football clubs that vanished
- Breathes new life into forgotten Scottish history, with enthralling tales and gripping twists presented alongside fascinating historical details
- Goes beyond the history of the clubs involved with a social history of Scotland from the Victorian era through to the modern day
- Jeff Webb's passion and keen eye for detail shines through in all his work – from football history articles written for periodicals to this, his debut book, penned after extensive research into each of the featured clubs
- Publicity campaign planned including radio, newspapers, websites, podcasts and magazines

Description

Scotland's Lost Clubs: Giving the Names You've Heard the Story They Own is the gripping, constantly surprising, intrinsically romantic and all too commonly tragic story of some of Scotland's lost football clubs. You'll be taken on a journey across Scotland, from the Highlands to the English border, with tales of some of the most important names in world football and their impact on the modern game. Learn about the picturesque Victorian seaside town that had no fewer than five clubs, and the team that rescued a league rival who was shipwrecked only to sadly disappear the year Celtic won the European Cup. Discover how a mining village of less than 3,000 inhabitants became world champions but folded 36 years later. Football at its most raw and disorganised was a breeding ground for amazing stories, and *Scotland's Lost Clubs* captures some of the very best of them. It's essential reading for any Scottish football fan.
