

Title information

The Greatest of Great Escapes

Rotherham United's Finest Hour

By Holly Hunt

Key features

- True underdog story that captured the imagination of fans in general, with a resonance far beyond Rotherham
- Exclusive interviews with some of the key characters that played a starring role in the season, who share previously untold, humorous and moving anecdotes
- The season saw the return of one of English football's most beloved bosses; Neil Warnock has connections with football fans at clubs across the country
- Holly's unique insight, having watched on from the stands as the drama unfolded over the course of the season, will resonate with all Rotherham United supporters
- Colour photos and action shots from key moments throughout the season
- Publicity campaign planned including radio, newspapers, websites, podcasts and magazines

Description

The Greatest of Great Escapes: Rotherham United's Finest Hour is the story of one of the most astounding comebacks in modern football. After a meteoric rise through the divisions, Rotherham United were a second-tier side once more. There has never been a dull moment in the Millers' recent history and another entertaining season was in store. Seemingly destined for the drop on the back of a disastrous start to their 2015/16 league campaign, the Championship strugglers defied all odds. The club went in search of their third manager in the space of a single season after the departures of both Steve Evans and Neil Redfean. Neil Warnock stepped into the breach to embark on his biggest ask to date in the club's hour of need. He soon pulled off what was, by his own admission, one of his most celebrated achievements. The Millers came out fighting for their lives to secure survival when all hope appeared to be lost. This book relives the twists and turns that punctuated Rotherham's resurgence.
